

Fairmount Playground Renovation COMMUNITY MEETING

Seattle Parks and Recreation invites you and your family to participate in a community meeting for the Fairmount Play Area Project. This renovation project, identified in the Parks and Green Spaces Levy will provide new play equipment for children ages 2-12; site improvements will enhance safety and access to facilitate use by all users. Different layouts and equipment types will be discussed at the meeting to provide your community the best design. Fairmount Playground is located at 5400 Fauntleroy Ave. SW.

Parks encourages you to come and give your thoughts on which play equipment and design features work best for your neighborhood.

DESIGN SERIES
