

## west seattle chamber of commerce

The Admiral Neighborhood Association and the West Seattle Chamber of Commerce welcome the re-opening of Safeway, and recognize this as a tremendous addition to our community.

We want to take this opportunity to assess the local commercial environment and identify areas for continued improvements. As a local business owner or retail manager your ideas and participation are critical.

You are invited to an informal gathering to share your thoughts and learn what is occurring to improve our retail neighborhood.

### Business Survey

- Be the first to receive results of the ANA survey conducted earlier this summer
- David Whiting, ANA

### Business District Information

- Learn about the role of the WS Chamber in assisting your business and the neighborhood
- Patti Mullen, WSCC

### Traffic study

- Hear about an upcoming City of Seattle pedestrian and traffic access study
- Andres Mantilla, Office of Economic Development

**Monday September 19, 2011**

*4:00 pm - refreshments available*

*4:30 pm - presentation begins*

**Porterhouse, 2329 California Avenue SW**
