Budget Action description:
This green sheet recommends passage of Council Bill 118834, which would create a Community Involvement Commission, amend the purpose of the Department of Neighborhoods (DON), and amend the functions of the Director of DON.

This green sheet also makes one amendment, which is shown on the attached version of the bill in double underlines, amending Section 2 of the bill to add a new subsection G to Section 3.35.030 of the Seattle Municipal Code (SMC). Subsection G would add support for neighborhood-based community-building to the list of functions of the Director of the Department of Neighborhoods. SMC 3.35.030 would be relettered, as appropriate.
