Other information:

- We can also offer ELL and modified classes with some guidance from the case managers.
- We can also allow students to do grade repair by signing up to retake a class in which they received a D.
- If a student needs a class that we're not able to offer, we can try to get them online. They would need to send an email to sswhiton@seattleschools.org to check on the availability.
- Attendance is mandatory. You will be allowed 3 absences, but you must make them up at either morning or Friday tutorial. If not, you will not receive a grade for your class.
- Students will receive Orca Cards to help with transportation.
- Students can enroll in 3 classes to get up to a 1.5 in credit recovery. Students can receive additional credits if approved by instructor in the subject that they're taking.
- This is open to all high school students. We'll accommodate all that we can.
- All work is project based and in class, so be prepared for an AWESOME time!

We're excited to offer this to our West Seattle students! Please complete and return in the registration sheet to the West Seattle High School office by July 2nd for priority scheduling.
