

## 35th Ave SW crossing improvements starting as early as Monday, November 19

### PROJECT OVERVIEW

This winter, we will make crossing improvements to several intersections throughout Seattle to enhance safety and access for people walking, biking, and driving. The improvements along 35th Ave SW vary by location (see maps) and include pavement repair, new curb ramps, crosswalks, and a traffic signal. Together, these improvements will address requests from the community and are part of the City’s Vision Zero goal to end traffic deaths and serious injuries by 2030. To learn more about Vision Zero, visit [www.seattle.gov/visionzero](http://www.seattle.gov/visionzero).

### SCHEDULE

Construction is expected to start as early as Monday, November 19 and last approximately 8 weeks. Crews will generally work 7 AM to 4 PM, Monday through Friday.

### WHAT TO EXPECT

We will minimize construction impacts as much as possible. During construction, please expect:

- Temporary and intermittent traffic and lane restrictions and/or pedestrian detours; signage and flaggers to direct people through the work zone
- Possible side street closures, which will be communicated in advance
- Noise, vibrations, and dust during work hours
- Equipment and materials near the project area
- “No Park” signs placed in work area 72 hours in advance of work starting

Improvements at 35th Ave SW/SW Dawson St. Image not to scale.
