REMINDER: Businesses along the corridor are open during this work. Please follow posted detour signs as you visit these businesses.

What to expect the week of August 10

We are currently working in all three zones at the same time, from north to south on Delridge Way SW. While the work zone shift is occurring you will see No Parking signs go up towards the southern of the work zone and parking restored in the northern end of the work zone.

In each of the three work zones, travel lanes will be generally be reduced to one lane in each direction with restricted turns and from time to time you may expect flaggers to be operating one lane at a time. Please follow posted traffic signs.

If you have concerns about accessibility or other impacts of construction, please send us your address, contact information, and concerns so that we can better understand and work together throughout construction. You can reach us at DelridgeTransit@Seattle.gov or call 206-775-8739.

Upcoming closures

- Additional temporary weekend street closure at SW Genesee St and Delridge Way SW
 - This upcoming weekend August 7 - 9 and next weekend, August 14 - 16, please expect no through access to Delridge Way SW from SW Genesee St while crews reconstruct half of the intersection

- SW Genesee St will be closed between 25th Ave SW and Delridge Way SW. **Drivers will not be able to cut through to Delridge Way SW.**
 - The closure will be from Friday at 9 AM to Monday at 5 AM
 - Work is scheduled to end by 10 PM on each night, though we have obtained a noise variance permit in case we need to work longer hours
 - Local access to SW Genesee St will be maintained from SW Avalon Way
 - Drivers will need to detour at SW Andover St or SW Alaska St to get to and from Delridge Way SW
 - Route 50 will detour from Delridge Way SW to SW Avalon Way. Please visit [King County Metro's website](#) for more information on rider alerts
- **Sidewalk closures and detours between Sylvan Way SW and SW Webster St**
 - We are continuing to demolish and pour concrete at the sidewalks between SW Orchard St and Sylvan Way SW.
 - After that work is completed, we will move south and begin demolishing the sidewalk between Sylvan Way SW and SW Webster St
 - We will begin this work as soon as the week of August 17
 - The sidewalk on the west side of Delridge Way SW is closed for construction. Please follow posted detour signs.
 - People walking will need to cross at the marked intersections at SW Myrtle St or SW Holden St.
 - Access to some driveways at or near the SW Orchard St intersection may be impacted. Businesses will be open during construction and access will be maintained at other driveways.

Several private contractors will be working through the night in the corridor to install utilities ahead of our roadway paving. This work is not related to the Delridge Way SW - RapidRide H Line project. These contractors have obtained noise variance permits in order to complete their work.

REMINDER: Delridge Community Center parking lot and SW Genesee St closures this weekend Friday, 8/7 at 6 PM to Monday, 8/10 at 5 AM

- **Driveway closure for the northern parking lot at the Delridge Community Center**
 - This weekend, we will begin demolishing and rebuilding the driveway into the parking lot entrance between SW Genesee St and SW Oregon St

- People driving will not be able to access the parking lot for several weekends starting Friday, August 7 at 6 PM. You will be able to access the parking lot on weekdays.
- Please plan to park in the southern parking lot near SW Alaska St during our closure or utilize on-street parking
 - You may access this parking lot by taking 26th Ave SW to SW Alaska St
- **Temporary SW Genesee St closures begin this weekend**
 - Please see the section above to learn more about the duration of this work and traffic detour routes

Ongoing closures

- **Temporary driveway closures near 21st Ave SW and Delridge Way SW**
 - Expect intermittent delays to driveway access. Driveways will be covered with a steel plate when work is not occurring
 - We will work our way south towards SW Thistle St in the next few weeks. Properties will be notified in advance of this work occurring
- **Continued pipework near the Longfellow Creek Greenspace**
 - We have recently completed work in the intersection and have poured temporary asphalt to restore access to 24th Ave SW/SW Graham St
 - **We have moved south to 23rd Ave SW.** Expect intermittent delays to roadway access during work hours.
 - The roadway will be covered with a steel plate when work is not occurring
 - Drivers may enter and exit the neighborhood from SW Willow St to avoid travel delays
 - We will remain in the area to connect underground pipes. Please continue to expect construction activities in this area.

Our schedule is subject to change. Please sign up for our text message updates by texting **DELRIDGE** to **33222** to receive the most up to date information on night work and closures.

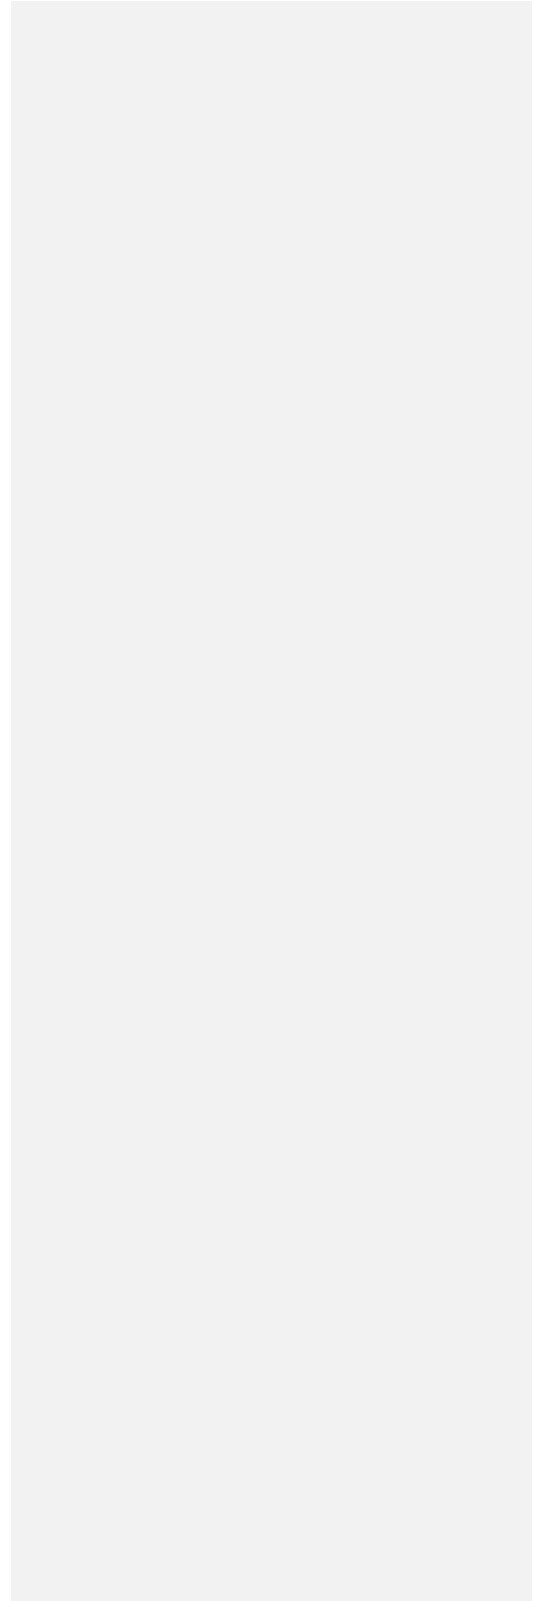

If you experience issues with your water service during construction, please contact Seattle Public Utilities' 24/7 service line at (206) 386-1800.

New work by zone

- **Zone A (West Seattle Bridge to SW Findlay St)**
 - **Concrete work for bus pads** switching to the west side of SW Andover St
 - Demolition work for the existing bus pad will begin Monday, August 10
 - Expect hammering, dust, vibration, and truck traffic
 - **Paving work** from SW Charlestown St to SW Dakota St
 - Foundation and sidewalk work will begin Monday, August 10 and last for approximately 2 weeks
 - **Demolition and paving work on both sides of Delridge Way SW**
 - We will continue demolishing the roadway on the **west side** of Delridge Way SW between SW Genesee St and SW Alaska St. This work will continue through the week of August 10.
 - Beginning as soon as Wednesday, August 12 We will begin demolishing the roadway on the **east side** of Delridge Way SW between SW Genesee St and SW Alaska St
 - Traffic will be switching to the west side of Delridge Way SW as we work in the roadway
 - This work will be loud. You can expect hammering, dust, and vibrations during this work.
 - Driveways on the **east side** of Delridge Way SW in this area will be temporarily impacted while we complete this work
 - If you need your car in a timely manner, we recommend parking on side streets. Otherwise, please be prepared for delays and plan to connect with crews onsite to coordinate access.
 - We will provide notice in advance if your driveway will be impacted
 - This work is anticipated to last through the week of August 17
 - Throughout August, we will be paving the roadway throughout Zone A as we complete demolition work. Please follow signed detours and updated traffic patterns.
 - Some driveways will need to be impacted as a part of this work
 - **Underground utility work between SW Hudson St and Puget Blvd SW**
 - Beginning Monday, August 10 we will install underground storm pipes. This work will last approximately 2 weeks.
 - You can expect construction impacts similar to other underground utility work in the area.
- **Zone B (SW Findlay St to north of SW Orchard St)**
 - We will move south and start demolishing the sidewalk between Sylvan Place SW and SW Webster St on the west side of the street. Please follow posted detour signs at SW Myrtle St

Project map

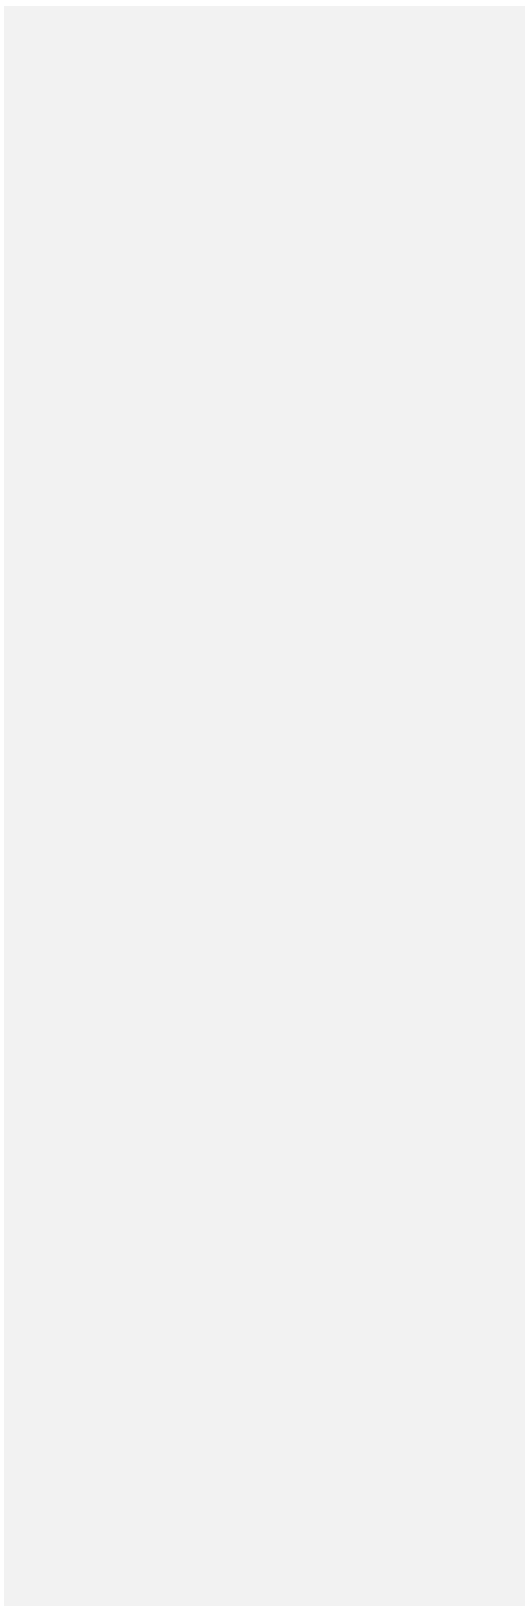

Below is a map of the project corridor. Please note that we are staging equipment at the following streets off of Delridge Way SW and through traffic will be restricted.

KEY

- Work zone - - - - -
- Staging areas — — — — —

We will begin working at the same time near the West Seattle High-Rise Bridge, SW Findlay St and SW Orchard St intersections and work our way from north to south.

What to expect during construction

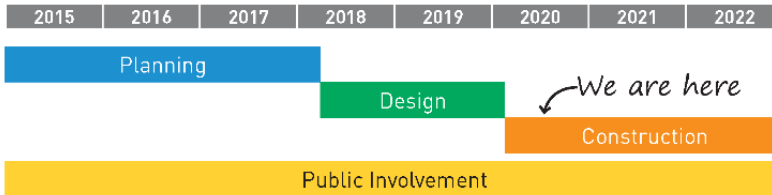

Generally, we anticipate working weekdays between **7 AM and 7 PM**. Impacts will include:

- Noise, dust, and large vehicle traffic
 - Temporary construction parking restrictions for weeks at a time
 - Periodic traffic detours
 - Vehicle lane shifts around work zones
 - Temporary utility service impacts
 - Flaggers to help direct traffic
 - Temporary bus detours and bus stop relocations
-

As part of this project, we will be upgrading the road condition throughout the corridor. You can expect roadway demolition to look like the photo above.

West Seattle High-Rise Bridge Safety Project

The closure of the West Seattle Bridge has impacted access to the Delridge community and how we all get around. Our Delridge Way SW - RapidRide H Line team is committed to keeping streets open and moving as much as possible and doing everything we can to minimize additional disruptions caused by construction and paving. Learn more about the [West Seattle High-Rise Bridge Safety project](#) and sign up for email alerts to get the latest about the bridge.

At the City of Seattle, we are continuing to follow guidance from federal, state, and local leaders and our public health partners regarding COVID-19. To keep our crews and the public safe, we have required all contractors to submit updated jobsite Health and Safety Plans to ensure that they comply with the safety and social distancing requirements in the Governor's Order.
