REMINDER: Businesses along the corridor are open during this work. Please follow posted detour signs as you visit these businesses.

What to expect the week of September 21

We are currently working in all three zones at the same time, from north to south on Delridge Way SW. As our work zones shift you will see No Parking signs go up towards the southern end of the work zone and parking restored in the northern end of the work zone.

In each of the three work zones, travel lanes will be generally be reduced to one lane in each direction with restricted turns and from time to time you may expect flaggers to be operating one lane at a time. Please follow posted traffic signs.

Upcoming closures and major work

- **RESCHEDULED:** Upcoming road closure at SW Oregon St and Delridge Way SW to complete paving
 - The SW Oregon St closure planned for this weekend has been **anceled**
 - Work is now scheduled to happen the weekends of September 25-28 and October 2-5. **Please note this work is weather-dependent and may change.**
 - Weekend work hours are from **Friday morning** through **Monday morning**. The roadway will be open before Monday morning traffic.
 - People traveling on Delridge Way SW will still be able to travel north and south past this intersection
 - People traveling to Delridge Way SW from the closed area will need to detour to SW Andover St via 21st Ave SW. Please refer to the detour map below for more details.
 - This work is weather dependent and subject to change

Ongoing closures and work

- **Ongoing major pipework near SW Brandon St**
 - Nightwork in this area is complete. Work will continue during regular hours in this area for several weeks.
 - This work requires us to dig deep in the ground. Please anticipate noise, dust, and vibrations.
 - Pipe connections will be happening next week. SPU will notify properties in advance about water shut offs.
- **Continued temporary driveway impacts and closures throughout Zones B and C during roadway and sidewalk upgrades**
 - Expect intermittent impacts to driveway access Residents will be notified in advance of any driveway closures
 - We will work our way south in each section and may flip sides on Delridge Way SW. Please continue reading for more details.

Our schedule is subject to change. Please sign up for our text message updates by texting **DELDRIDGE** to **33222** to receive the most up to date information on night work and closures.

If you experience issues with your water service during construction, please contact Seattle Public Utilities' 24/7 service line at (206) 386-1800.

If you have concerns about accessibility or other impacts of construction, please send us your address, contact information, and concerns so that we can better understand and work together throughout construction. You can reach us at DelridgeTransit@Seattle.gov or call 206-775-8739.

New work by zone

- **Zone A (West Seattle Bridge to SW Findlay St)**
 - **Continued demolition and paving work on Delridge Way SW (east side)**
 - We are continuing to demolish and repave the roadway on the **east side** of Delridge Way SW in Zone A
 - Next week, we will begin paving between **SW Genesee St** and **SW Dakota St**. There are no anticipated driveway closures for this work.

- This work will be loud. You can expect loud hammering, dust, and vibrations during this work.
 - Throughout September, we will continue paving the roadway throughout Zone A as we complete demolition work. Please follow signed detours and updated traffic patterns.
- **Upcoming demolition and paving work on the west side of Delridge Way SW**
 - Beginning as early as Wednesday, September 23 we will begin demolishing the roadway between **SW Edmunds St** and **SW Hudson St** on the **west side**
 - We will pour concrete the following week once demolition has been completed
 - In the next few weeks, we will continue moving south and begin demolishing the roadway between **SW Hudson St** and **Puget Blvd SW**
- **Continued underground utility work between SW Hudson St and Puget Blvd SW**
 - This work is expected to be completed in late September
- **Intersection at SW Oregon St and Delridge Way SW closed for paving the weekends of September 25-28 and October 2-5**
- **Zone B** (SW Findlay St to north of SW Orchard St)
 - Continued underground work happening near the intersection of SW Graham St and 24th Ave SW. Access will be maintained when work is not occurring.
- **Zone C**
 - Through the end of next week, we will continue demolishing the sidewalk on the west side of the street between **SW Thistle St** and **SW Trenton St**
 - Select driveways will need to be closed for up to 3 days as a part of this work. Properties will be notified in advance.
 - Later this fall, we will move to the east side of the street to complete similar work
 - Throughout Zone C, we will be locating underground utilities with potholes. Please travel safely around onsite crews as we complete this work.

What to expect during paving

As we begin paving near residential properties, you may experience impacts to your driveway as we demolish and restore the roadway in front of your property. During this work, you can expect:

- Temporary access restrictions in and out of driveways on Delridge Way SW during active demolition. Demolition work is usually limited to a few hours.
- Loud hammering, dust and vibrations
- During active demolition, onsite crews will be able to provide access to emergency vehicles or for people leaving their homes for emergencies
- If you need your car in a timely manner, we recommend parking on side streets. Otherwise, please be prepared for delays and plan to connect with crews onsite to coordinate access.
- Steel plates or a gravel ramp will be placed to provide access to the driveways outside of active work hour
- Up to **3 days of driveway restrictions** as concrete cures directly in front of your property. We will deliver notices to any properties with this impact.
- Impacted properties will be notified in advance of this work occurring.

What to expect during construction

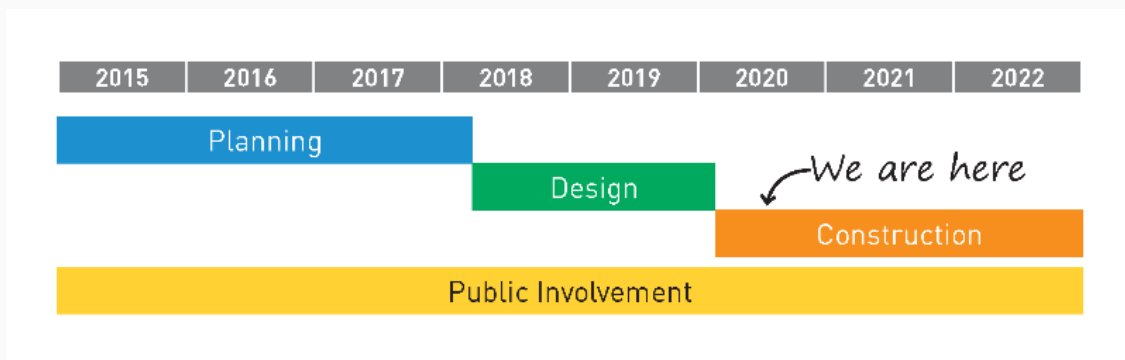

Generally, we anticipate working weekdays between **7 AM and 7 PM**. Impacts will include:

- Noise, dust, and large vehicle traffic
- Temporary construction parking restrictions for weeks at a time
- Periodic traffic detours
- Vehicle lane shifts around work zones
- Temporary utility service impacts
- Flaggers to help direct traffic
- Temporary bus detours and bus stop relocations

As part of this project, we will be upgrading the road condition throughout the corridor. You can expect roadway demolition to look like the photo above.

West Seattle High-Rise Bridge Safety Project

The closure of the West Seattle Bridge has impacted access to the Delridge community and how we all get around. Our Delridge Way SW - RapidRide H Line team is committed to keeping streets open and moving as much as possible and doing everything we can to minimize additional disruptions caused by construction and paving. Learn more about the [West Seattle High-Rise Bridge Safety project](#) and sign up for email alerts to get the latest about the bridge.

At the City of Seattle, we are continuing to follow guidance from federal, state, and local leaders and our public health partners regarding COVID-19. To keep our crews and the public safe, we have required all contractors to submit updated jobsite Health and Safety Plans to ensure that they comply with the safety and social distancing requirements in the Governor's Order.
