PROJECT OVERVIEW

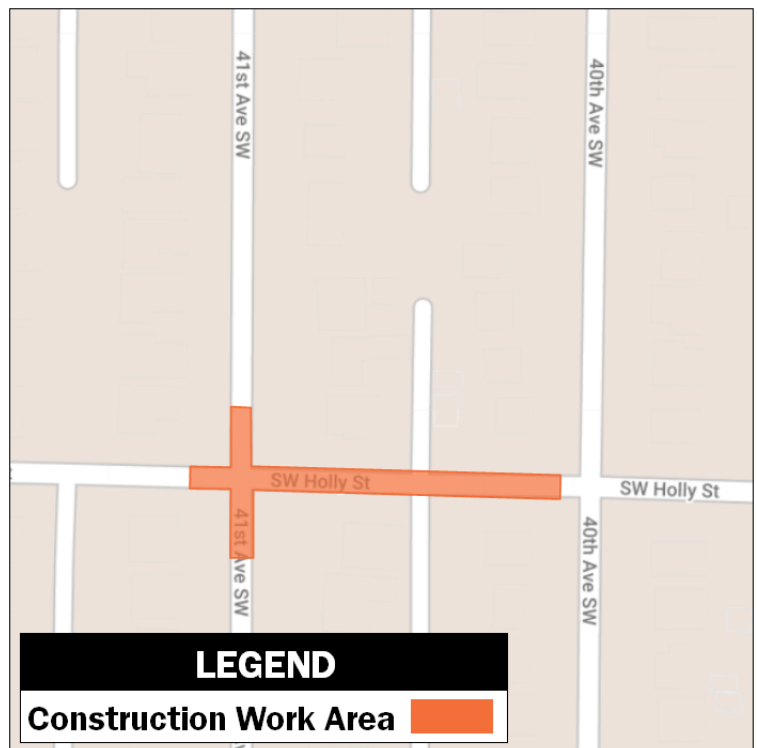

Seattle City Light contracted crews will be working on SW Holly Street (between 40th and 41st avenues SW) to repair and reconstruct the underground streetlight system.

PROJECT BENEFITS

- This work will result in a repaired underground streetlight system for the Gatewood area.

PROJECT IMPACTS

- Trenching will occur along SW Holly Street to repair the streetlight wiring.
- Crews will maintain access for driveways near the work zone.
- Traffic may be impacted during this work. Traffic control flaggers will direct access through the work zone as needed.
- Sidewalks may be impacted during this project. Signs will be posted to redirect pedestrian traffic.
- All affected planting strips within the right-of-way will be restored.
- Some parking will be restricted on SW Holly Street for truck staging and equipment storage.
- Maintenance power outages are not anticipated for this work.
- Existing streetlights will be replaced with new fixtures and poles.

TIMING AND COORDINATION

Construction Start: Construction is tentative to start in early December 2020

Duration: Approximately four to five weeks*

Schedule: Monday – Friday, 7:00 a.m. to 3:30 p.m.

*Construction is expected to occur during the holiday season.
